Service Growth Fellowship

The first mission of the Women of Today is:

To contribute to our community by raising funds for worthy causes and by providing services or education to benefit community members.

Our Women of Today group is very community oriented. We host a community Halloween party, a Super Santa Saturday and a Family "Spring-Go" event. As well, we organize the parade for the Roseau County Fair, donate backpacks for Back to School, run a Coats for Kids campaign to find warm winter jackets for children who need them and sponsor a Cute Kid Contest. We are always looking for new projects and ways to improve the community.

The second mission of the Women of Today is:

To develop and to foster skills and talents related to becoming successful individuals, interacting well with other people and becoming capable leaders.

Opportunities to develop skills and talents are numerous, ranging from committee work to taking on an officer position.

Growth and personal enrichment can be had within our organization through:

Financial Management

Time Management

Conflict Resolution

Leadership

And many more!

The third mission of the Women of Today is:

To develop friendships and to find personal support with the organization.

At our meetings, we always have an opportunity to visit. Many of our activities at the meetings help members to get to know one another. We host a family potluck picnic in the summer and a year end party in May, as well as a weekend getaway to Winnipeg to shop and attend a dinner theatre. As well, we have holiday parties which help to recruit new members. In the past we have had a progressive supper which we hope to do again this year.

Developing lasting friendships is a wonderful benefit of belonging to the Women of Today. *Don't think of us as strangers, just friends you haven't met yet!*
